Snooping Around

The man behind the cash register in a shop, the woman with a dog at the bus stop, everyone dressed in a suit and carrying tiny suitcases in the elevator where my mom works. It looks like grown-ups have everything under control. As if they don't have even the tiniest little secret. Well think again and become a fly on the wall on a fantastic journey behind appearances!

A humorous, colourful and revealing picture book to snoop around in and laugh about together.
