## *Mexicana Mama* *Slow food served relatively fast*

*Mexicana Mama* is a beautiful book about the food culture and the irresistible flavours of Mexico. Here you can enjoy around 100 different recipes, from breakfast, snacks, soups and salads to dinner dishes and barbeque.

There is also a wealth of delicious salsas, moles and pipians in addition to desserts and drinks.

Anine Desire has contributed with descriptions from streets and markets. Liz Buer has written the short works of prose.
