## *Angry Man*

*Angry Man* is a hopeful picture book about difficult living conditions that takes a serious look at the vulnerability of children in a adult world, sending an important message out to children whose lives resemble Boj's: You are not alone. It is not your fault. You should tell somebody you trust. Because it doesn't have to be that way.

Suitable for children from 5 years old, as well as parents, teachers, psychologists, family counsellors and other adults who relate to parents and children.
