Birte Svaton

Right or Wrong

Right or Wrong.

What is right and what is wrong? Do you always know? If someone bites you, is it okay that you bite them back? Is it always best to say what's true?

The book is a good starting point for conversations between adults and children, in preschool, at school or on the sofa. A number of dilemmas from the lives of young children are presented here, and it's not always easy to know just how to solve them.

The stories in this book give you something to contemplate. It's not always easy to know what's right and what's wrong, and it's often a good idea to talk to others about it. Perhaps you won't always agree!

Birte Svaton

Birte Svaton (b. 1958) is an author, journalist and teacher and has previously worked for NRK Radio for ten years. She writes for both children and adults.
