Rino - Journey to the island of the dead

New action-packed graphic novel!

Rino is the heir to the throne, but his royal duties do not interest him. He senses that the kingdom he is about to rule is founded on injustice. Rino dreams of a different life, with freedom and adventure. One day he gets more than he bargained for: Suddenly he finds himself on a pirate ship setting sail for a bewitched island. It will be a journey he will not soon forget, with sword-wielding pirates and dangerous evil spells.
