Papelina

Papelina is a different story about escape. Papelina and her family must leave their home. Papa Gøye says it's a top-secret adventure! The only thing Papelina is told is that they are going to a beautiful bird castle. But the journey becomes long and tiring. And why can't Papa Gøye stop joking and fooling around?

Papelina is a story about escape, family, and friendship. And about what it means to be home.

Illustrated by Jill Moursund.

Format: 23,5x21,5cm

Ages: 3–6 years

"Papelina is a touching story"

- May Grethe Lærum, Bok365.no

"Papelina is a successful example of how a cheerful children's book can indeed have a serious and real background. (...) Jill Moursund's magnificent illustrations make the drama visual."

- Avisa Hordaland
