## *Someone Knows*

An old wrong, a wounded soul – and terrible revenge.

When an elderly couple is found murdered on their farm, journalist Kajsa Coren is on the scene immediately. The two murder victims lived not far from her own house. Is there a killer on the loose in the neighbourhood? Kajsa is actually researching cases of abuse in children's homes. Are the crimes connected? As she pieces together the clues, Kajsa gets dangerously close to the killer...

## Trude Teige

In 2015, *When Grandma Danced in the Rain* was published and cemented Trude Teige among international bestselling authors. The novel tells the story of Juni who returns to the house of her deceased grandparents on a small Norwegian island where she discovers a photograph: it shows her grandmother Tekla as a young woman with a German soldier. Juni can no longer ask anyone about it, so the search for the truth takes her to Berlin and to the small town of Demmin in eastern Germany, where hundreds of families committed suicide in May 1945. Juni realises that this is about much more than a secret love. Inspired by actual people and events, the book was nominated for the Norwegian Booksellers' Prize. It became one of the bestselling books in Germany in 2023 and remained on the bestseller lists for over a year. Teige counted among Norway's top-selling authors for all of 2024. As of 2025, more than 1.5 million copies of the author's works have been sold worldwide.
